LAKE LURE *Series 1*

Our Lake Lure series, named after the lake that “Dirty Dancing” was filmed at, is a cozy design that you will be sure to fall in love with when you’re planning your dream home with us. Starting at 1,321 square feet of living space, this two-bedroom, two-bath design features a second story exposed-beam loft for additional living space or storage. The extremely popular galley-style kitchen makes meal prep a breeze, with rare access to a covered porch for guests.

The large, comfortable central living room serves as an inviting center of family activity for family and entertaining guests. Expansive decking lets you enjoy outdoor temperatures and breezes, and the many picture windows transform your walls into showplaces of breathtaking views. The home also provides a large master suite with walk-in-closet and private bath.

The Lake Lure design accommodates the need for storage space, offering larger and numerous closets throughout the home. Additionally, the versatile second-story loft is ideal flex space for active families throughout the year.

NOTE: The model pictured above represents an example of a home in this series, not an exact replica of the home you will have built. Each of our homes are customized for the buyer and it is possible that they will differ from one another.
